Features & Benefits

FastFit® work gloves have earned the trust of hardworking trade professionals and enthusiasts from the building site to the garage. Our most versatile work glove features a stretch-elastic closure for easy removal between tasks and breathable TrekDry® to keep your hands cool and comfortable while you work. The FastFit is built with touchscreen capable 0.6mm synthetic leather and constructed with pinched fingertips so you have more control and better fingertip strength than ever before.

- Form-fitting TrekDry® material keeps working hands cool and comfortable.
- Stretch-elastic cuff provides a secure fit to the wrist.
- Reinforced thumb and index finger provide added durability.
- Touchscreen capable synthetic leather keeps you connected.
- Pinched fingertip construction improves fingertip strength and durability.
- High-dexterity 0.6mm synthetic leather provides optimal dexterity.
